

To all Junior age (18-21) baseball players Baseball Sask will be sending a Junior Select Team to Junior Nationals in Ottawa August 17-21, 2017. And we want you!

Baseball Sask wishes to showcase Saskatchewan's talent by selecting the best Junior age players to send to Nationals. We will be having several ID camps the dates to be announced later. All Junior age players are encouraged to participate.

For those players who are attending College or University, we ask that you speak to your respective College or University for permission to participate in this event. We know that some Colleges and Universities start their programs in early August. We wish to hear from you by June 12, 2017 if you are interested in attending and have permission from your school.

If you have questions please contact Bert Kauf by texting 306-861-5978 or email bkauf@sasktel.net.

Yours in baseball,

Bert Kauf
