PRESIDENT'S MESSAGE

On behalf of the Baseball Sask Board of Governors and staff, I welcome you to the 2018 baseball season.

We are coming off a year that had many successes including a Gold Medal for Team Sask at the 2017 Canada Summer Games following a Gold Medal at the Canada Cup in 2016! We have seen one of the best years ever for our teams in Post Provincial play. I would like to take this opportunity to thank all of the volunteers and staff for your hard work and dedication in making this organization the best that it can be.

Despite increasing competition from other sports and recreational activities baseball continues to grow in Saskatchewan. In 2017, we have seen our membership increase by 9% from 15,292 to 16,692. The number of teams entering Provincials increased from 202 to 246, a 22% increase. One of the challenges we face is maintaining the quality of umpires and coaches we currently enjoy. In order to ensure our programming keeps up with this growth, we will be adding a summer student to our Regina staff.

In closing, I want to remind everyone that Baseball Sask is your association and we encourage you to address any concerns you may have regarding the association with your zone representative or any other board member.

Keep up the good work and all the best in the 2018 baseball season.

Yours in Baseball,

Shaun Fraser,
Baseball Sask President

2. Only SBA registered umpires are to be used for Zone Playoff and Provincial Championship games. For league play, SBA registered umpires are to be used whenever possible.
3. Umpire fees for SBA playoff games only:

If possible, for all semi-finals and final games of Provincial Senior, Junior, Midget, Bantam, Pee Wee, and Mosquito age categories, three umpires will be used. Host sites should note that they will be responsible for the extra umpire cost for these games.

• Senior AAA & AA Tier 1	2 umpires totaling \$65 each 3 umpires totaling \$65 each (Semi-Final & Final)
• Senior Tier 2, 3, 4	2 umpires totaling \$55 each
• Junior	2 umpires totaling \$55 each 3 umpires totaling \$55 each (Semi-Final & Final)
• Midget	2 umpires totaling \$50 each 3 umpires totaling \$50 each (Semi-Final & Final)
• Bantam	2 umpires totaling \$45 each 3 umpires totaling \$45 each (Semi-Final & Final)
• Pee Wee	2 umpires totaling \$35 each
• Mosquito	2 umpires totaling \$30 each

The host committee shall pay before or immediately following the game or tournament all umpire fees. The host is responsible for umpire mileage (\$0.35 / KM) and per diem (\$35.00 / day or satisfactory rates arranged with the host). Local umpires do not qualify for mileage; however, they do qualify for per diem. A one-way travel subsidy has been implemented for umpires traveling. Umpires are entitled to a travel subsidy, one-way only: 100-199 km \$15 each; 200-299 km \$30 each.

4. Handling procedures for ejections:

Where a player, coach, manager, or team official is ejected from a game during an SBA playoff these guidelines shall be followed:

- a) Make notes of the incident immediately. Complete and submit ejection report immediately following the game.
- b) Contact the Baseball Sask Division Supervisor in person or by phone and relate the incident to him within 24 hours. Where the provincial supervisor cannot be reached the umpire shall contact the Baseball Sask Playoff Committee Chairman.
- c) An ejection report of the incident shall be sent to the Baseball Sask Commissioner, Umpire Supervisor, and Division Supervisor, and SBA office within 48 hours within the completion of the game or tournament.

Where a player, coach and manager or team official is ejected from a game in post SBA play the above steps shall again be followed. Failure for an umpire to follow proper procedures is not a sufficient reason to nullify a player's actions.

The total number of umpires required in a championship shall be a minimum of the number of games played in a day.

GUIDE FOR ADMINISTRATORS

1. MEMBERSHIP

Categories of Membership

1.01 There are three categories of membership in the Association, as provided for in the Bylaws of the Association:

- (a) Active Member;
- (b) Affiliate Member; or
- (c) Honorary Member.

Application for Membership

- 1.02 A member in any category may be a player (must first be registered with their local SBA or Affiliate association), coach, league (represented by a league official or member of an executive of a League), or a team (represented by an official or member of an executive of a team), bat boys or girls, umpires, scorekeepers, tournament administrators and anyone else involved in the game of baseball in the Province of Saskatchewan.
- 1.03 Anyone qualified to be a member as hereinbefore described may apply for membership in the Association as either an Active or Affiliate Member, but not both. Players must first be registered with their local SBA or Affiliate association.
- 1.04 An umpire may only apply to be an Active Member.
- 1.05 An Honorary Member is appointed by the Association.
- 1.06 Application for membership as an Active or as an Affiliate Member in the Association must be submitted to the Association Office in the prescribed form on or before May 15th, except in the case of membership in Junior and Senior categories which must be submitted on or before June 19th, all in any given year.
- 1.07 The Association (by the Board of Governors) may accept or decline any application for membership in the Association, in any class for any reason (which may include but are not limited to considering and relying upon what it, in its sole discretion, considers to be the best interests of Baseball in the Province of Saskatchewan).
- 1.08 At the Annual General Meeting of the Association, the members shall be asked to approve by ordinary resolution the decision of the Board of Governors with respect to applications for membership
- 1.09 Upon acceptance by the Association of any application to be either an Active or an Affiliate Member, and payment of the prescribed fees, the member shall be so designated.

Membership Fees

- 1.10 The Association shall fix, on an annual basis, the fee to be paid by each member according to each category of membership.
- 1.11 Upon acceptance as an Active or an Affiliate member, and upon payment of the prescribed fee for the applicable category of membership, the member shall be deemed to be in good standing and entitled to the benefits (or subject to the limitations) of membership according to the category of membership, and subject to the Rules and guidelines (including discipline) of the Association and contained in this Handbook, the Playoff Manual and any Supplements issued and the Bylaws in effect from time to time.

Elite Programs, Coaching and Development Programs, Provincial Championship and Post Provincial Championship Programs and Other Programs of the Association

- 1.12 Eligibility for all programs of the Association is determined by category of membership.
- 1.13 All Active and Affiliate Members in good standing are eligible for participation and appointment to a Team in the Association Elite Programs, upon being so selected, paying the required fee (which may be set according to category of membership) and upon otherwise being qualified
- 1.14 All Active and Affiliate Members in good standing are eligible for participation in coaching and development programs upon paying the required fee (which may be set according to category of membership) and upon otherwise being qualified
- 1.15 All Active Members in good standing only (and therefore excluding Affiliate Members) are eligible for participation in Provincial Championships (including Zone Playoffs leading to Provincial Championships) and Post Provincial Championship Programs and any other Association Programs as may exist from time to time but subject to the rules for eligibility and participation contained in this Handbook, the Playoff manual and the Bylaws then in effect.
- 1.16 All Active Members in good standing must be residents of Saskatchewan on or before June 1, in any given year, in order to be eligible for the Association's Provincial Championships (including Zone Playoffs leading to Provincial Championships) and Post Provincial Championship Programs.

2. HARASSMENT POLICY

Baseball Sask is committed to providing a sport and work environment in which all individuals are treated with respect and dignity. The SBA encourages the reporting of all incidents of harassment. To that end, the SBA has set up a Harassment Committee to serve in a neutral, unbiased capacity and to receive complaints, assist in informal resolution of complaints and investigate formal written complaints. Please do not hesitate to call the Regina Office at 780-9237 for the name and phone number of a Harassment Committee member.

3. PROTESTS

- 3.01 A decision based upon umpiring judgment shall offer no basis for protest.
- 3.02 A league or tournament committee (other than for provincial playoffs) may establish its own rules to provide for discipline of members by ejection or suspension. This does not supersede the authority of the Commissioner to review the conduct of members at any time. League and tournament committees are encouraged to forward details of all disciplinary actions taken by that league or tournament committee to the Baseball Sask Commissioner.
- 3.03 In circumstances where a member has a "history" of ejections (regardless of the reasons or the period of time involved), the Commissioner may also investigate the conduct of the member generally and may discipline the member according the SBA guidelines.

4. SUMMARY OF DISCIPLINE GUIDELINES

The following commentary is a summary only, and does not take the place of the specific provisions in the Association Constitution and Bylaws, and policies of the Association established from time to time.

- 4.01 Conduct of members of the Association shall be measured by "sportsmanship, honesty, loyalty, respect for authority and property" and shall be consistent with the best interests of baseball.
- 4.02 The Commissioner or Assistant Commissioner appointed by the Association, are authorized and shall be responsible for "interpretation, investigation and rulings on matters which pertain to the Rules of Play" governing Baseball and the conduct of the members of the Association.
- 4.03 The Commissioner or Assistant Commissioner may discipline any member (individually or as a member of a team) of the Association, as he considers suitable in all the circumstances, including reprimand, suspension and the imposition of conditions as necessary to ensure appropriate conduct.

- 4.04 The Commissioner or Assistant Commissioner may delegate this "power to discipline" to Divisional Supervisors, or Governors or to such other persons as he sees fit in the circumstances (including conduct of other members during Zone Playoffs and Provincial Championships).
 - 4.05 When a member is ejected from a Baseball game, a written report of that ejection shall be filed with the Association Office.
 - 4.06 The Commissioner or Assistant Commissioner may investigate any ejection, as they consider necessary.
 - 4.07 Members should be guided by the following general policies on ejections:
 - a) Umpires will describe an ejection as either "unremarkable" or "subject to review"
 - b) "Subject to review" indicates the conduct of the member or members was, in the opinion of the umpire, outside of the normal or expected play of the game;
 - c) "Subject to review" following an ejection, may include
 - i) excessive verbal abuse of anyone following ejection
 - ii) failure to leave the playing area, within a reasonable time following ejection
 - iii) obstructing the play of the game or generally causing a nuisance or disturbance of the play of the game;
 - iv) physical contact with any umpire before, at the time of, or after an ejection;
 - v) any circumstances where there is appearance of a deliberate attempt to injure any member or spectator.
 - 4.08 In the course of a provincial playoff play, in any one-year, if a member is ejected twice, then that member will be forthwith suspended for the balance of that playoff series, pending a discipline investigation of that member's conduct by the Commissioner as contemplated under these guidelines.
 - 4.09 Notice of Discipline may be given by any means, including facsimile, letter, telephone, email or other manner that will reasonably bring notice to the subject member or members of the Discipline.
 - 4.10 A member of the Association under suspension shall not be allowed to participate in any game, any practice and any other event until such time as the suspension is served.
 - 4.11 Any member of the Association who is disciplined by the Commissioner or Assistant Commissioner may appeal all or any part of that discipline order to the Board of Governors of the Association.
 - 4.12 An appeal shall be in writing and must be filed within 48 hours of Notice of Discipline to the member, of the discipline order, together with an Appeal deposit of \$200.00.
 - 4.13 Upon the filing of an Appeal, the President shall appoint an impartial hearing committee and fix a date for the hearing of the member's appeal as soon as reasonably possible.
 - 4.14 The Appeal Committee may:
 - a) consider the discipline order of the Commissioner or Assistant Commissioner

(2) Pitchers shall be permitted to have 2 appearances in the same calendar day. If a pitcher requires a rest following 1st appearance, they cannot return in the same calendar day.

(3) Pitcher cannot pitch 3 consecutive days unless a pitcher's first 2 days combined does not exceed:

Mosquito:25 Pee Wee:30 Bantam Boys/Girls:35 Midget:40 Junior: 45

- If pitcher's day 1 + day 2 exceeds figure above for their division, they require at least 1 days rest.
- Pitcher cannot pitch 4 consecutive days. One (1) days rest is needed.

(4) Pitchers and managers shall follow the following guidelines:

Mosquito (No Curveballs)	Pee Wee (No Curveballs before May 31)	Bantam Boys/Girls	Midget	Junior	Rest Required
1-25	1-30	1-35	1-40	1-45	None

41-55	46-60	51-65	56-70	61-75	2 days

- (7) Pitchers will be permitted to finish the batter if his or her maximum pitch limit has been reached for that calendar day.

If no pitches are thrown - no pitches should be charged to the pitch count. If you decide after throwing 2 pitches to put the batter on, then you just inform the umpire and the batter is awarded 1st. In this case, only the pitches thrown will count towards the pitch count. (2018)
- (9) Required Rest shall be defined in "Days" starting at 12:01am and ending at 11:59 pm of the next calendar day.
- (10) If a game continues past 12:01am, those pitches are counted as if pitched prior to midnight. If a game is suspended, when it resumes it is defined as a different day.
- (11) A pitcher who is removed from the mound during a game shall not be permitted to return to pitch in the same game, even if the pitcher is retained in the game at another position.
- (12) The manager or coach may make a 2nd visit to the mound while the same batter is at bat in order to remove the pitcher.

THE PLAYOFFS

The SBA provincial playoffs are played in accord with the rules and regulations set out in this handbook. The SBA handbook takes priority over the Baseball Canada Rulebook. All baseball rules and regulations not covered by the SBA handbook will be played in accordance with the most recent Baseball Canada rulebook.

14. PLAYER ELIGIBILITY

- 14.01 A player, in order to be eligible to participate in a Zone Playoff leading to, and a Provincial Championship, and a Post Provincial Championship Program must be:
- (a) an Active Member; and
 - (b) a Canadian citizens or landed immigrant; and
 - (c) a Saskatchewan resident as of June 1st of the current playoff year.
- 14.02 For SBA purposes the principal residence for all midget age category and younger players shall be:
- a) the address of the player's parents as of January 1 of the current calendar year;
 - b) the address of the player's custodial parent (or in the case of a joint parenting arrangement, then the address of the primary custodial parent) as of January 1 of the current calendar year
 - c) legal guardian (in which case there must be a Court order or other lawful proof of guardianship) as of January 1 of the current calendar year
- 14.03 An "address of convenience" is not permitted.
- 14.04 The Zone Governor for each of Provincial Zones 2 and 6, in consultation with the Provincial Supervisor for all midget age category and younger players shall fix the geographic boundaries and number of sub-zones within the larger Provincial Zones (to reflect the number of player registrations as well as historic team representation within sub-zones) as soon as reasonably possible and in any event not later than the deadline for registration of Provincial Team Rosters.
- 14.05 **Notwithstanding the foregoing, all Zone Governors may authorize where a player may play within their respective Zone. Factors that will be considered include, but are not limited to the following:**
- i) **Effect on the team from the original centre he/she is leaving;**
 - ii) **Effect on the team to the centre he/she is going to;**
 - iii) **Effect on any other centre the player is bypassing in the transfer;**
 - iv) **Any other circumstances considered significant by the Zone Governor or Provincial Supervisor.**
- 14.06 Teams within all Provincial Zones may be required to qualify by way of a Zone playoff, in order to advance to a Provincial Championship, dependant on the number of teams registering a Provincial Team Roster and the circumstances of the draw set for a particular Provincial Championship in any given year.
- 14.07 Players registering on a provincial roster must play in the zone of their principal residence. This applies to all categories except the Junior, Senior and Twilite Division.
- 14.08 **Players may only compete in one division or category at one time, and can be on only one Provincial Roster - SBA or Affiliate – at one time.** If a player's team is eliminated in provincial play, these players may only be picked up by a team in an equal or higher category (exception: 14.16 Midget & Junior).
- 14.09 In certain circumstances a player may be allowed to move up an age division for SBA playoffs or to play outside of the Zone of that player's residence as herein contemplated. Application to do so will be made through the Zone Governor of the player's residence and the Governor of the intended zone of play as herein before determined.
- 14.10 The Governors in consultation with the Division Supervisor will rule on the matter. If permission is granted, a signed letter of consent from the parent(s) must be filed with the SBA prior to **May 30th** of the current year.

- 14.11 Players that receive permission to move up an age division will still be eligible to be a pickup in the younger age division for Westerns or National Championships.
- 14.12 An allowance for a player to play "out of his Provincial Zone of residence" either upon the application of the player or upon the initiative of a Zone Governor or Provincial Supervisor must be based on unique circumstances of the player and the Zones affected, and will not be granted unless such unique situation can be reasonably demonstrated to all concerned. A Zone Transfer Application must be made to the Zone Transfer Committee no later than May 15th.
- 14.13 Players that move up a category must remain in that category or higher for SBA playoffs
- 14.14 Players receiving permission to change zones will remain with that zone for the remainder of the season (and for the purposes of Provincial and Post Provincial Play).
- 14.15 Sask First players are exempted from 14.13.
- 14.16 Midget & Junior Divisions: Players in the Midget and Junior Divisions may also register with a team in the Senior Division. That Senior team must be from the players zone of principal residence.
- 14.17 Junior Division: Junior players are open to sign on any active team provincial roster by the provincial registration date.
- 14.18 Senior Division: Senior players are open to sign on any active team provincial roster by the provincial registration date.

15. TEAM ROSTER ELIGIBILITY

- 15.01 Team roster information will not automatically be provided to any team.
- 15.02 Any team may request any other teams player roster or information about any player registered on a Team Roster, or otherwise registered with the Association from the SBA Office, after the Team Roster Registration deadline as set out in the handbook.
- 15.03 Any team wishing to examine another team's Roster in advance of the Provincial Zone Playoff or Provincial Championship for the purposes of examining player eligibility, is obliged to obtain that Roster on its own initiative.
- 15.04 Mosquito, Pee Wee, Bantam and Midget Team rosters for provincial playoffs and the assessed fee are to be submitted by **June 5th**. Rosters sent in after June 5th will be accepted until June 9th but will be assessed an additional \$150.00 late fee per team.
- 15.05 Senior and Junior rosters will be accepted until **June 19th**. No extensions will be allowed under this rule. Where a league does not exist the team roster must be verified by a team official.
- 15.06 No teams are allowed to register after the late registration deadline (2016)
- 15.07 Team roster limitations are established as a maximum of 18 players.
There is no limit to number of coaches as long as they are certified. (2015)
- 15.08 Only those players and coaches as listed on the provincial playoff roster are eligible for play in the zone and provincial playoffs. These eligible players and coaches only are allowed on the playing field, in the dugout and in all warm up areas.
- 15.09 Forfeitures: Withdrawing from an SBA Provincial Zone Playoff, Provincial Championship or a Home and Home Series will result in a fine to the offending team. Details and fines will be in the current SBA Playoff Manual
- 15.10 Only properly certified coaches can be listed on the Provincial Team Registration Form when submitting by the June 5 (Mosquito, Pee Wee, Bantam and Midget) and June 19 (Junior and Senior) deadlines. Should a non-certified coach be listed, they will be deleted immediately and will be fined double the cost of any Module they currently do not have that is required. A coach can always be added after the deadline as long as they are properly certified and are a member of Baseball Sask.(2017)
- 15.11 All coaches added to a Provincial roster must be properly certified no later than 72 hours prior to the respective Provincial Championship their team is playing in. Should they not be properly certified 72 hours prior to the Championship they will be ineligible. NO EXCEPTIONS! (2017)

16. REGULATIONS FOR FORMING PLAYOFF TEAMS WITHIN ZONES

- 16.01 All questions, concerns, comments and problems must be directed to your zone governor.
- 16.02 For the SBA playoff program, teams will be divided into different categories to facilitate participation at a more reasonably equal calibre of play.

16.03 Residence:

In addition to the provisions described in Section 14 "Player Eligibility", the following additional provisions shall apply:

- An urban player is defined as any player who lives within the corporate limits of any city, town, village or hamlet. Rural players must use the legal land description of the home quarter. (P.O. box numbers and sites are not acceptable).
- If a player moves with parent or guardians, new residency for purpose of baseball must be established prior to January 1 of the current calendar year.
- A player's home residence shall be determined by drawing a straight line from his/her place of residence to the nearest baseball centre within zone boundaries. Should the nearest centre not having a team in the players age category, the home residence shall be determined by drawing a straight line to the next nearest centre from the player's residence within zone boundaries.
- Players will be allowed a 15 mile tolerance in terms of selecting their nearest baseball centre.
- The Saskatchewan Grid Road Map will be used by the SBA in determining a players' primary residence.
- Teams must list their player's nearest baseball centre, R.M. number and location of home quarter on the Provincial Team Roster form.
- In terms of potential residence discrepancies, changes may be approved at the discretion of the Zone Governor.
- In cases where there is no baseball in a community and the nearest baseball centre is distant, a player may apply for permission to play "out of Zone" as hereinbefore provided for.

Examples Of The 15 Mile Tolerance:

- This is an example of the 15 mile tolerance that allows a player on this farm to select Baseball Centre X, Y or Z as his baseball centre.

- This is an example of a player living in Community Y that does not have a baseball team in his age division. In this example the player would only be allowed to choose option X or Z.

- FOR MOSQUITO ONLY:** When a player decides to play on a team other than the team which is his nearest baseball centre (using the 15 mile tolerance to make that choice as in the example above), that player will have to "pick up" the population of each baseball centre he would have been eligible to play for in his age division.

- FOR MOSQUITO ONLY:** A player living in community B decides to play in community F. Communities A & C are within the 15 mile tolerance. Communities D, E & G have teams the player is eligible for. He

chooses to bypass them, now he must add the populations of both communities D & E before he is eligible to play on the chosen team in community F.

In the examples, the distance is measured from the edge of the home quarter or the edge of the community.

16.04 Baseball Centre

A baseball centre is a city, town, village or hamlet that has a baseball team that plays in the players age division in the current season and has a minimum of 11 players registered in that Division. The Zone Governor shall determine if a community is a Baseball Centre

16.05 Classification for All Provincial Playoffs (2016)

AA Tier 1 Category - Population of 6,501 to 50,000

AA Tier 2 – Available for centres only after forming a AAA Team first in a particular Division (2015)

AA Tier 3 Category - Population of 2,501 to 6,500

AA Tier 4 Category - Population of under 2,500

NOTE: Should the Playoff Committee feel a team should move up in category, they have the right to do so no matter what a team's population is.

Junior Division

AAA – Open

Pee Wee, Bantam, Midget, Senior Only

All Categories

– Based on Provincial Supervisor Ranking

- b) ***In Mosquito, all AAA category centres may register AA Tier 1 or AA Tier 2 teams if they have a team registered to play in the AAA competition. AAA category centres may also register AA Tier 3 category teams if they have teams registered to play in both AAA and AA Tier 1 or Tier 2 competitions.***
- c) ***In Mosquito***, a Team may register AA Tier 2 for provincial competition only if they have registered a AAA team, from that Community in that same Division first. These communities may also register AA Tier 3 teams only if they have registered in both the provincial AAA and AA Tier 1 or AA Tier 2 competitions.
- d) ***In Mosquito***, Baseball centres in the AA Tier 1 category may form AA Tier 3 category teams if they have registered a team in the provincial AA Tier 1 competition.

- e) **In Mosquito**, Baseball centres in the AA Tier 3 category may form AA Tier 4 category teams if they have registered a team in the provincial AA Tier 3 competition.
- f) Where a player has no baseball in their classification in their community, then:
- If the population of your chosen baseball centre is higher than the population of what would have been the player's baseball centre, the player and the team he plays on will be categorized according to the population of the chosen baseball centre.
 - If the population of your chosen baseball centre is lower than the population of what would have been the player's baseball centre, the player and the team he plays on will be categorized according to the population what would have been the player's baseball centre.
 - If the chosen baseball centre will not accept a player on a team in his age category, the player may apply to the Zone Governor for permission to play for a team in a different centre upon such terms and conditions regarding categorization as the Governor and Playoff Committee consider appropriate.

16.06 Combining Centres in Mosquito Division

There are a series of results that apply in terms of a baseball centre moving up categories for zone playoffs as a result of combining centres.

The player's centre population must be included with the originating centre.

Here is a list of the various scenarios that result from combining teams.

- Baseball centres classified as being other than AAA category may combine for provincial playoffs, provided that they shall be re-classified and moved to a higher category.
- Of the baseball centres that combine, the baseball centre in the highest category shall be designated the originating centre.
- For each baseball centre that combines with the originating centre, the originating centre must move up one category; and
- The number of baseball centres that may combine is limited to the number which will result in the originating centre being reclassified as AAA category.
- An exemption to the reclassification is that AA Tier 1, AA Tier 3 or AA Tier 4 category baseball centre may combine with one AA Tier 4 category baseball centre without being reclassified if the total population of the two baseball centres which combine does not exceed the population limit of the category.
- AAA centres may not combine.
- Under no circumstances may more than 4 baseball centres combine.

Examples:

Register as:	If you have made this combination:
AAA	1 – AA Tier 1 centre + 2 – AA Tier 4 centres 2 – AA Tier 1 centres 2 – AA Tier 3 centres + 2 – AA Tier 4 centres 3 – AA Tier 3 centres 1 – AA Tier 1 centre + 1 – AA Tier 3 centre + 1 AA Tier 4 centre 2 – AA Tier 4 centres + 1 – AA Tier 3 centre 1 – AA Tier 1 centre + 1 – AA Tier 3 centre
AA Tier 1	1 – AA Tier 1 centre + 1 – AA Tier 4 centre 2 – AA Tier 3 centres + 1 AA Tier 4 centre 4 – AA Tier 4 centres 1 AA Tier 3 centre + 2 AA Tier 4 centres 2 – AA Tier 3 centres
AA Tier 3	1- AA Tier 3 center + 1- AA Tier 4 centre 3- AA Tier 4 centres
AA Tier 4	2 – AA Tier 4 centres

BASEBALL SASK PROGRAMS

NATIONAL COACHING CERTIFICATION PROGRAM (NCCP)

Baseball Sask has changed the method in which the NCCP Level 1 and Level 2 coaching clinics are to be conducted. Baseball Canada has phased out the NCCP Level 1 and 2 Baseball Technical Course. The NCCP Initiation Baseball Coach has replaced this course. This course will involve two steps - an on-line portion and a clinic facilitated by one of our Baseball Sask Instructors.

On-Line

The on-line portion will require coaches to log on to the website - <http://nccp.baseball.ca/>. The website features all of the information from the Level 1 Baseball Technical manual along with videos demonstrating drills and skills that will maximize practice time while allowing our athletes to have fun and develop baseball fundamentals. Once they have completed reading and reviewing the material there is an on-line exam that coaches will complete. This exam reviews the material that was learned. After the exam is completed coaches will be classified as "in-training Initiation Coach" and they will be given notice to where an Initiation Baseball Coach Clinic will be held in the province. The online portion costs \$37.45 to access.

Initiation Coach Clinic

This clinic will be approximately 4-5 hours in length. Coaches must do the on-line portion before attending this clinic. This clinic will be less instructor directed but rather more interactive as coaches will demonstrate their knowledge learned during the on-line portion of the program. Once coaches have completed this course they will have the status as "trained Initiation Baseball Coach". The Initiation Coaching Clinic will cost participants \$30 to attend. Associations wishing to host a clinic should contact Greg Brons at 975-0828 to book their clinic.

Coaches who have taken the previous Level 1 Baseball Technical Course will not have to re-take the new Initiation Course. However, coaches are encouraged to visit the website as this site is an excellent source for all levels of baseball coaches.

Hosting Information

1. Must provide access to gymnasium or suitable facility for physical activity.
2. Underwrite any costs for the facility.
3. Advertise the clinic locally.
4. Appoint a local chairman that will communicate/assist Baseball Sask instructor(s) with the running of the clinic.

Initiation Baseball Coaching Course

- Coaches must take the on-line module first before attending this course <http://nccp.baseball.ca>
- Once participants have completed the on-line module of the course, a list of clinics across the province will be posted. Participants must take the clinic in order to receive their full Initiation Baseball Coach level.
- Communities wishing to host a coaching clinic should contact the office in Regina @ 780-9222
- Clinic length – 3-4 hours
- Host community cost - \$300 for up to 20 participants and an additional \$15 will be added for every participant over 20. Host community is not responsible for instructor fees. Baseball Sask will invoice host communities.
- If the host community wishes to charge each participant it is Baseball Sask and Baseball Canada Policy to not charge over \$30 per participant.
- Host communities that are affiliate members will be assessed an additional 50% surcharge.

Other Modules (Absolutes, Teaching & Learning, Planning, Pitching/Catching, Strategies)

- Communities wishing to host Modules should contact the office in Regina @ 780-9222.

19. SASKATCHEWAN FIRST PROGRAMS

The Saskatchewan First Programs were developed with the purpose of providing financial assistance to sport bodies to develop a high performance sport program that will significantly improve performance levels and standings of Saskatchewan athletes and teams at the Jeux Canada Games.

Midget Selects Team / Canada Games

Baseball Sask will once again send the top 20 first and second year midget players to the Baseball Canada Cup in Moncton, NB from August 8-12, 2018. All eligible players who are interested in furthering their baseball careers collegiate or professionally are encouraged.

16-Year old Developmental Team

Baseball Sask will also form a 16-year-old Developmental Team. The goal of this team is to prepare players for next year's Baseball Canada Cup and also the next Canada Games Team.

Bantam ID Development

The Bantam ID Development Weekend will be held June 9-10. This will be replacing the Bantam Selects. This will be an open ID Camp aimed at developing athletes and identifying players for the Bantam Selects team representing Baseball Sask at the Baseball Canada 15U National Championship in Oshawa, ON. Athletes will also be evaluated to be selected to the 16-Year-Old Development Team that will participate in a Fall Tournament in Arizona.

20. GIRLS BASEBALL PROGRAM

21U Women's Invitational

This team will compete at the Baseball Canada 21U Women's Invitational Championship from August 9-12 in Stonewall, MB. Check the website www.baseballsask.ca for tryout camp dates. It is important for girls who are interested in this program to attend a tryout camp near them in order to be identified.

Bantam (16U)

The Bantam Girls Teams will compete at the Baseball Canada Championship. The Bantam Girls division has been changed to 16 and under and if a coach steps up to coordinate a team they will compete in the 2018 Baseball Canada Bantam Girls Championship from August 23-26 in Bedford, NS. Check the website www.baseballsask.ca for tryout camp dates. It is important for girls who are interested in this program to attend a tryout camp near them in order to be identified.

To be eligible to participate in the Girls Program, all players must be registered with paid fees on a Baseball Sask membership registration form by the May 15th deadline. There will be no zone boundary rules to follow in forming the teams, meaning the team can be formed from players from across the province. There is also the chance that there will be more than one team registered and there may be a Provincial Championship to determine representative Nationals.

Teams attending the Girls Championships will receive a travel grant from Baseball Sask that will help cover some of the travel expenses. This travel grant will be similar to the grant that other club teams receive who are attending a Western or National Championship representing Baseball Sask. The Coach/Manager will be responsible for all planning (i.e. tryouts, travel, accommodations, meals, etc.).

Pee Wee (14U)

The Pee Wee Girls team will compete in the Western Canada Championship. This will take place in Spruce Grove, AB from August 16-19.

For more information on Girls Baseball travel grants contact Mike Ramage at the Baseball Sask Office at 780-9237 or e-mail him at mike@baseballsask.ca.

To be eligible you must have been a paid SBA member in this calendar year and you must have been a member of a past Western Canada Games Team, Baseball Canada Cup Team or a Canada Games Team.

Athlete applications are evaluated by Saskatchewan Baseball Association. Those that meet or exceed elite athlete criteria are then ranked. Grant levels are based on a formula designed by the Coaching and Player Development Committee. Deadline to apply is October 31st.

NOTE: It is the athletes' responsibility to verify with potential college programs that Athlete Assistance will not jeopardize any scholarship opportunities.

Application forms and more information is available from the SBA office, 300-1734 Elphinstone Street, Regina, Saskatchewan S4T 1K1 Telephone: 780-9237.

22. GRASS ROOTS CLINICS

These clinics are aimed at players and can be designed for different age groups and abilities. It is encouraged that coaches from within the community attend the clinics to assist and learn from the Baseball Sask instructors. It is recommended that the player to coach ratio is suitable for a positive learning atmosphere. Also, players should be grouped by age and skill level.

Baseball Sask makes funding available to communities to assist in the running of a clinic through our MAP Grant Program.

DQ® Rally Cap Program

Baseball Sask and Baseball Canada are excited to announce the launch of the DQ® RALLY CAP PROGRAM for all active members of Baseball Sask.

The Rally Cap program is an entry level program designed to introduce children to the game of baseball, keeping them active and engaged, while learning the skills of the game in a fun, safe and informative atmosphere.

Rally Cap, while designed for the kids, is also a tremendous teaching tool for coaches just entering the game. A complete set of practice plans, along with drills and skill development ideas are built into this program.

The Rally Cap name comes not only the time tested baseball saying, but also from the progression component that will see each child afforded the opportunity to test their progress at least 3 times a season. Where actual baseball hats (Rally Cap) are awarded based on the level of accomplishment, much like martial arts belts are awarded.

Associations interested in offering this program are encouraged to visit the Baseball Canada site at www.baseball.ca for details.

Rally Cap orders are now being accepted by printing off the following order form and sending it, along with payment to the Baseball Sask office. The hats are \$3.50 each and each color comes in a minimum of 12.

Contact nolan@baseballsask.ca or (306) 780-9222 for further details such as brochures, DVD's or Manuals.

WINTERBALL PROGRAM

Baseball Sask is looking to partner with elementary schools for our exciting *Winterball* program. *Winterball* is an exciting, fun way for children to be exposed to the game of baseball.

Winterball is a school-based baseball curriculum for students between the Grades of K - 6. This program is completely turn-key in approach and can be administered to P.E. classes immediately. We are currently looking for schools throughout the province that are interested in offering *Winterball* to their students.

By partnering with the Baseball Sask and adding *Winterball* to your curriculum, we are prepared to offer you an entire set of *Winterball* equipment as well as Instructor Manuals! The *Winterball* package has a retail value of well over \$400 dollars and contains equipment that can be used for a variety of activities.

If you are interested in adding this fun, developmental program to your school or class please take a moment to review the information below and click the 'apply now' button on this page.

Don't delay. There is a limited number of kits that we can give out. Apply today!

The Concept

WinterBall is a program designed to attract new participants to the sport of baseball. This program is targeted primarily at elementary schools throughout Canada with possible application to community centers, local recreation departments, and boys and girls clubs across the province.

The main focus of the program is to introduce the basic fundamental skills of the game, in a fun, non-competitive manner, providing a positive learning experience for all participants.

WinterBall is designed for students in Grades K – 6 (ages 6-12) as an introductory program that will progress through nine different lesson plans containing different activities. To ensure students are being taught skills at an appropriate skill and ability level, there are a set of lessons for grades K - 4 as well as another set for students in grades 5 and 6.

WinterBall is designed to fit easily with the current curriculum outlined by the Ministry of Education, ensuring the activities being taught are outcome (expectations) based and measurable. The program is designed to be completely turn-key including: complete lesson plans with warm-up activities, games to introduce skill techniques, cool down activities, teaching tips, diagrams, and a glossary of terms. The teacher's manual includes gender-neutral terminology and is designed to fit within the guidelines of the education system.

The program has components included to educate teachers, students and parents about the value of creating a positive sporting experience for children and the importance of sport in the community.

Sporting activities of any kind, including recreational pursuits, require movement skills that are almost universally the same. With this in mind, Baseball Sask has adopted a program developed through Baseball Canada that will allow these movement skills to be presented to youngsters in a school program using baseball equipment, terminology and games.

The goal of this program is to introduce baseball in a recreational non-competitive environment where youngsters have fun and attain success by performing skills. Once a student realizes that, he/she is able to perform the fundamentals of baseball, we believe that there will be interest in playing the game within a local organized baseball association.

Why WinterBall?

With reduced government spending on education, and a decrease in class planning time for teachers, schools are forced to look for programs that are turn-key in their delivery system and are new and exciting for students. It is important that the program builds life skills and provides added benefit to both students and society. Baseball is a sport with no economic barriers and may be enjoyed for many generations regardless of social status. The sport of baseball is easily adaptable to almost any setting, including indoors, and can meet all of the requirements of the educational system. By introducing baseball to a mass audience in a controlled setting there will be maximum exposure gained in a minimum amount of time.

Goals and Objectives!

To promote an active healthy lifestyle and encourage children to participate in sport.

To introduce baseball skills through an exciting and fun program.

To increase participation in the sport of baseball locally, provincially and eventually nationally.

To teach the fundamentals of the game in a non-competitive environment that will provide children with the fun sport experience inclusive to all, regardless of sex or physical ability.

To provide equal access to both male and female students.

CHALLENGER BASEBALL

What is Challenger Baseball?

Well, it is probably the most rewarding organized baseball activity you will find out there. Challenger Baseball is the program that allows children with cognitive or physical disabilities the opportunity to enjoy all the benefits of playing baseball, in an environment that caters to their very special needs. Our philosophy is very simple: “play, just for fun!!” You can’t beat it.

The “game” is played in a safe, recreational environment, where no score is kept. Able-bodied “Buddies” are assigned (one on one) to each participant. These Buddies are “mentors” to the Challenger players, and assist with their involvement in the game. Pushing wheelchairs around the basepath, assisting players in how to hold the bat and swing, or providing protection for the Challenger player from a batted ball, are just a few of the ways the Buddies offer a better experience for the participants in Challenger Baseball.

Each participant is treated like every other player in the conventional baseball program. All players are on a team, and are outfitted in uniforms and use the same equipment. A team picture is a must for Challenger Baseball, as it is in the other divisions ... team party to finish the season ... a team trophy ... they are all part of the Challenger Baseball “experience” for every child that plays...

Last but not least, the smiles are plentiful and free!! The joy on the face of each participant in Challenger Baseball, makes you realize just how much fun they are having. No more all star pressures!! No more playing time issues!! Everyone just has fun ... kind of what baseball is supposed to be all about.

If you would like to learn more about Challenger Baseball, or how to start Challenger Baseball in your community, check out our website: www.baseball.ca/challenger or contact the Provincial Challenger Baseball Coordinator, Porter Nabis, at ptnabis@hotmail.com.
