MAY/JUNE 2009    VOLUME 27 #3

**25<sup>th</sup> ANNUAL INDUCTION-SATURDAY, AUGUST 15, 2009**

**A VERY SPECIAL EVENT! SO MUCH TO CELEBRATE!**

Imagine, twenty-five years of honouring those ‘Great Ones’ that contributed to our Saskatchewan baseball history! Our founder, David Shury will be looking down on us, from on high, with that huge wonderful smile, feeling so proud!

All information about induction day is included in this issue, as well as order forms for tickets to the event. Order tickets early and make your accommodation reservations early as well.

**WE ARE NOW COMPLETELY WHEELCHAIR ACCESSIBLE!!!**

Yes, we now have a bathroom on the main floor! We were able to obtain some funds from a “Benjamin Moore Community Restoration Program”. The amount received for construction was \$2000.00, plus \$400.00 worth of paint from Doug’s Benjamin Moore Paints in North Battleford. The paint will be used in the office and entrance, but this will not be done until September. The total cost of this renovation far exceeded the grant received, therefore, we are now soliciting funds to cover this cost. Our objective is \$5000.00.

**SILENT AUCTION REQUEST!**

This project has proven to be a financial success, so we now ask you to solicit articles from any business in your area, to assist in this fund-raiser. How about a coupon for gas?? This is a Hall of Fame and Museum for ALL of SASKATCHEWAN, and we need the support of ALL SASKATCHEWAN citizens! Thank you.

## **EXTRA---EXTRA---EXTRA--- ALL ABOUT BASEBALL**

### **IS IT POSSIBLE TO STRIKE OUT FIVE [5] BATTERS IN ONE [1] INNING?**

It certainly is possible, although obviously unlikely.

One scenario:

1<sup>st</sup> batter – strikes out.

2<sup>nd</sup> batter – strikes out.

3<sup>rd</sup> batter – strikes out, but catcher drops the third strike, batter-runner is safe at first.

R1 steals second.

4<sup>th</sup> batter – strikes out, but catcher drops the third strike, batter-runner is safe at first.

5<sup>th</sup> batter – strikes out.

As a matter of fact, it is possible for an unlimited number of batters to strike out in one inning, under a similar repeating scenario.

Remember though, that a batter-runner is not entitled to run to first on a dropped third strike if first base is occupied. Otherwise, if first base were occupied, a catcher could conceivably drop the third strike on purpose, throw to second for a force out there, and then they could relay to first for an unfair double play.

### **A GOOD BOOK TO READ: “A GLOVE OF THEIR OWN”**

“A Glove of Their Own” is for the kids who toss the bat to choose captains and pick teams, playing in a neighborhood field or an empty lot. You’ll find no coaches, no concession stands, and sometimes just an old bat and ball. But once the first pitch is thrown, you’ll find the real heart and soul of America. You’ll find baseball in its purest form. And the publisher of “A Glove of Their Own” wants to help kids know this simple joy by donating a portion of the proceeds to help bring equipment to the kids who play without it.

“For few things in life are ever as good

As the smell of your own glove, the crack of the wood

Or being with friends at that one special spot

And sharing what you have with those who have not.”

By Graham Greene

### **DID YOU KNOW?**

“Baseball is 90% mental and the other half is physical.” – Yogi Berra

“They can holler at the uniform all they want, but when they holler at the man wearing the uniform, they’re in trouble.” – Umpire Joe Brinkman #15

“You spend a good piece of your life gripping a baseball and in the end it turns out that it was the other way around all the time.” – Jim Bouton – Ball Four

“You look forward to it like a birthday party when you’re a kid. You think something wonderful is going to happen.” – Joe DiMaggio, on Opening Day

“I think a baseball field must be the most beautiful thing in the world. It’s so honest and precise. And we play on it. Every star gets humbled. Every mediocre player has a great moment.” – Lowell Cohn in “The Temple of Baseball” (1981)

“Kids today are looking for idols, but sometimes they look too far... They don’t have to look any further than their home because those are the people that love you. They are the real heroes.” – Bobby Bonilla

## **A LAUGH**

A little boy was overheard talking to himself as he strutted through the backyard, wearing his baseball cap and toting a ball and bat. "I'm the greatest hitter in the world", he announced. Then he tossed the ball into the air, swung at it, and missed. "Strike one" he yelled. Undaunted, he picked up the ball and said again, "I'm the greatest hitter in the world!" He tossed the ball into the air. When it came down he swung again and missed. "Strike two!" he cried. The boy then paused a moment to examine his bat and ball carefully. He spit on his hands and rubbed them together, he straightened his cap and said once more, "I'm the greatest hitter in the world!" Again he tossed the ball up in the air and swung at it. He missed. "Strike three!" "Wow!" he exclaimed, "I'm also the greatest pitcher in the world!"

## **REMEMBER WE TAKE NOMINATIONS THROUGHOUT THE YEAR**

## **MESSAGES FROM OUR READERS!**

"I read with great sadness about the passing of Dave. Had I known in time, I would have made the journey to his service. Dave meant a lot to me in my early days in North Battleford and our travels to the Expos Spring Training in 1968 or 1969. A memory not soon forgotten. I will cherish all the great and fond memories of Dave for there will be no more. Dave had "Major League" drive in his will to live and was an inspiration to many. May Dave's legacy live on through the Saskatchewan Baseball Hall of Fame and Museum. May all Baseball Fans, young and old, continue to support the Hall forever. Dave was, and is, baseball's "GREATEST FAN". May he Rest in Peace, and may baseball return to the Battlefords!"

***Gerry and Stephanie Lister, Victoria, BC.***

"Enclosed is a donation in memory of my father, Peter Donison, Regina, who was inducted in 2002, and passed away May 10, 2009, at age 86. We will miss him so very much and we appreciate your kindness in all that you have done for Mom and Dad. Thanks again."

***Judy Gebhard, Liberty, Sask.***

"I recall with admiration the great work that Dave did on behalf of baseball in Saskatchewan and Canada. It was a privilege for me to have met you and Dave in Battleford in 1997."

***Jim Shearon, Kanata, Ontario***

"I continue to receive many emails and telephone calls extending condolences on Dave's death, and I would like to say how much this means to me. May I extend my most sincere appreciation".***Jane Shury, Battleford, Sask.***
