ABOUT OUR MEMBERS

Keeping kids behind the plate is a mentorship program that helps youngsters get into umpiring.

Mentors are trying to help keep more young baseball umpires in the game, improve their skills and build their confidence.

The Saskatoon and District Baseball Umpires Association’s mentorship program - a brainchild of the late Louis Slotsve and Paul Kobiela- is in its fifth season.

***ED BRYANT** stepped up to the plate to oversee the program, which is now without it’s founder, Slotsve, who died of pancreatic cancer recently.*

“We just wanted to keep this going because that’s what Lou wanted.” says Bryant.

“Lou recruited me and I’m thankful to him for that. His desire was to see this mentorship program really thrive. That’s one reason why I’m involved.”

ABOUT THE MUSEUM

Vintage Fun Day followed many, many days of rain, and as a result this event had to be cancelled, although June 6th, Vintage Day, was the only day between rain that was warm and sunny, Needless to say, because we could not prepare the field, cancellation was necessary. We’ll try again next year!

Staff- Ina Williams, secretary and receptionist, has been with us intermittently for the past couple of years, but now is with us on a permanent basis throughout the year. A great help!! Also, we have a 2010 summer student funded through Service Canada.

More display area is being prepared downstairs. As well, we continually improve the displays when it's financially possible. Our list of priorities include an outside wall mural depicting a baseball game in the late 1870's; track lighting in the museum; wall and other display units, as well as a small utility shed. Of course, always on the wish list is to have the biggest bat in Saskatchewan displayed on the grounds of the museum!

New this year-- an opportunity for those that love golfing! Arrangements have been finalized for golfing at the North Battleford Golf and Country Club on the morning of Saturday, August 21, 2010. I am told this golf course is very popular! See the insert!

OUR VOLUNTEERS ARE THE GREATEST! THANK YOU FROM THE DIRECTORS AND MEMBERS OF THE SASKATCHEWAN BASEBALL HALL OF FAME AND MUSEUM!

A MUST READ FOR GRANDPARENTS

At one point during a game, the coach called one of his 9 year old baseball players aside and asked, 'Do you understand what cooperation is? What a team is?' The little boy nodded in the affirmative. 'Do you understand that what matters is whether we win

or lose together as a team?' The little boy nodded 'Yes' 'So', the coach continued, 'I'm sure you know, when an out is called, you shouldn't argue, curse, attack the umpire or call him a name, do you understand all that?' The little boy nodded 'Yes' again. The coach continued, 'And when I take you out of the game so another boy gets a chance to play, it's not good sportsmanship to call your coach 'a dumb ass' is it? The little boy shook his head, 'No'. 'GOOD', said the coach. 'Now go over there and explain all that to your Grandmother.'

UP AT BAT

Two old friends, Dave and Joe, loved baseball all their lives. They grew up playing ball and eventually both became umpires. After successful careers, both decided to retire and slow down, although they both umpired for minor league games. After spending their whole lives involved in baseball, they started to wonder how it would be after they died. Would there be baseball in heaven? They decided to make a pact—the first to die would, if possible, come back to earth and tell the other if there was baseball in heaven. Eventually, Dave died. After some argument, he finally convinced GOD to send him back in a dream to tell Joe what to expect. Dave spoke to Joe in a dream, "Joe, I made it to heaven. I have good news and bad news. Joe replied, "Give me the good news first." Dave said, "There really is baseball in heaven—more than you could ever want! You can watch games, play in them, everything." "That's wonderful. So, what is the bad news?" asked Joe. Dave replied, "On Friday you have the plate!"

VERY IMPORTANT INFORMATION!

Please read carefully, as this is the last newsletter before the 2010 Induction Day.
If you have any questions, contact the office.

Memorabilia

To date we have received very few articles for the displays of the “2010” Inductees. In order to have this display ready for August 21, it is best that we have the articles here well before that day in order to have time to process and prepare the items for display. It would be appreciated if you let us know your intentions.

Media

Information on all 2010 Individual Inductees, the Fulda Flyers and the Millard Family, has been forwarded to ALL the newspapers and other media in the province. Whether they advertise it or not, I have no way of knowing, other than North Battleford which gives all the coverage I request. Since most of you did not provide your preference for media in your area, I hope you see or hear it.

Silent Auction

There is still time to consider donating an article, a gift certificate, or whatever you wish, to the “Silent Auction” table in the Alex Dillabough Centre. There usually is a great variety of articles including signed memorabilia from Baseball Canada, the Blue Jays, gift certificates for gas, accommodation, meals, golfing and more.

Accommodation

I would like to recommend that you make your accommodation reservations as soon as possible. Please note enclosed information on available hotels, motels, bed and breakfast and campgrounds.
