

# 2022 Baseball Saskatchewan Umpire Registration Information

## Part 1: Registration with Baseball Saskatchewan –

**Please read this entire section before you start your registration.**

- The first step in this process is to register as a Baseball Saskatchewan umpire for this year. This is a new process and will be a mandatory step going forward from this year on. Go to the following website and complete your registration as an umpire by creating a RAMP profile on the log in page. If you already have a profile in RAMP as a player or a coach, or you registered as an umpire in a previous year, you can use that profile to also register this year. You **MUST** use the site below to register as an official in addition to your registration as a player and/or a coach.

- After you create your profile, or log into your existing profile, you must register as an official. Click on the Register as an official link in the Official Registration box as seen to the right.

**BALL ASSOCIATION. DO NOT CHOOSE YOUR TEAM FROM THIS MENU.**

This assists us in tracking your primary center for umpiring games. For example, if you are from a city that is divided into zones such as Regina, select Zone 2 - Baseball Regina as your Primary Club, **NOT** your home zone within the city of Regina like the Regina Buffaloes or Regina White Sox. The same applies to any other city that is divided into zones such as Saskatoon (Zone 6 - Baseball Saskatoon), Moose Jaw (Zone 3 - Moose Jaw Minor Ball), Swift Current, etc.

- Once you have completed the above, make sure you click the box beside the package (Level) before clicking on Continue. You will not be able to move on until all red fields on this page are complete.

- You will be taken to a page with a Waiver. Please read the waiver and sign in the box provided. If you are under the age of 18, your parent or guardian must read and sign the waiver for you. Click continue after you sign the waiver and click the check box under the signature.
- The next page is the questions page. The question regarding Indigenous Self Declaration is optional, **BUT you must choose the clinic you will be attending or attended from the drop-down menu and then select which level of clinic it was.** The clinic location information is essential for our records so do not continue until you provide that information.

**As a Level 1 or 2 umpire**, under the payment type you have 2 options a) & b) below:

**Level 3, 4 & 5 umpires**, your only option for payment is b) E-transfer.

- a) My Minor Ball Club Will Pay (Voucher) – Choose this option if your minor ball association usually pays the Baseball Saskatchewan registration fees for umpires in your community. The minor ball association that you identified as your home club will be billed directly by Baseball Saskatchewan and you will not have to pay to register. If you are unsure if your Minor Ball association pays registration fees for umpires, you can contact your minor ball association and ask them, contact your Zone Umpire supervisor and inquire or you can pay the registration yourself using option b and submit your receipt to your minor ball association for reimbursement.
- b) E-Transfer – If you normally pay your own registration because you do not belong to a minor ball association or there is not one in your community, or you are a Level 3, 4 or 5 umpire, you must pay your own registration to Baseball Saskatchewan by E-Transfer. Once you select this option, follow the instructions that appear under the option to submit your registration payment.
