## TEAM BASEBALL SASK

### 5) Selection Process

\*All applications will be reviewed by the Baseball Sask High Performance Committee and make recommendations to the Baseball Sask Executive Committee. Final selections will be made by the Executive Committee.

The Executive Committee will meet to select all Head Coaches and depending on the coaches that were not selected to be a Head Coach, they may be considered as Assistant Coaches at the same time.

Each Head Coach Position will be for a term of 1 year with a mutual option to return the following year. This will be decided on with a consultation between the coach and Executive Committee and High Performance Committee following the Championship.

It is preferred that a coach serve a maximum of a 2-Year term if there are other qualified candidates interested at that time. Should no other qualified candidates have interest, that recent coach is eligible to apply to coach the team again the following season.

NOTE: We do not want this to dissuade coaches, however, we want to have as many qualified coaches given an opportunity to coach one of our Team Sask Programs as possible as we feel it only enhances the development of players across Saskatchewan.
