

## Respect in Sport (RiS) for Activity Leaders

ALL COACHES must register on the Sask Sport RiS website <https://sasksrc.respectgroupinc.com/> to confirm the Respect in Sport certification. If you have completed the Respect in Sport through a different sport or organization click on the link to “Import a Certificate”. When filling out the registration information please ensure you select “Saskatchewan Baseball Association Inc.” in the list of associations. This will automatically transfer your information to SBA.

If you already have an account on the Sask Sport RiS website and you get a message that your certificate number is already registered the issue is that you do not have Saskatchewan Baseball Association selected in your list of associations. Log in to your account and click on PROFILE at the top of the page. Then click on “ASSIGN PROFILE TO OTHER ASSOCIATIONS” to ensure Saskatchewan Baseball Association is checked off on your list. Make sure to also hit the “SAVE NOW” button at the bottom of the page. If SBA is not checked off in your list of associations we will be blocked from accessing your information. This means you will continue to get flagged every year even if you have completed the training. To look up your Respect in Sport certificate number please use the following link:
